To submit a valid claim, you must include the serial number of your Rheem water heater.

The easiest way to submit a claim is online at www.RheemDrainValveSettlement.com, or you can complete and mail this Claim Form to the mailing address above.

You may submit a claim for one or more of these benefits:

- 1. Documented Loss Reimbursement:** You may claim up to \$1,500 for documented losses related to your use, installation, and/or ownership of the Class Products, even if you choose other settlement benefits. Claims must include proof such as receipts, photos, service invoices, or technician reports. Total reimbursements are capped at \$500,000 and may be reduced proportionally if the total value of claims exceed this amount.
- 2. Extended Warranty and Replacement Benefits:** You may select only one option in addition to a Documented Loss Reimbursement.
 - (a) Two-Year Automatic Parts-Only Warranty Extension:** All Settlement Class Members automatically receive a two-year parts-only warranty extension on the Class Products, consistent with existing terms. Labor and other service costs are not covered. If your original parts warranty has expired, a new two-year warranty begins on the Settlement's Effective Date.
 - (b) One-Year Elective Parts-and-Labor Warranty Extension:** Instead of the automatic two-year warranty (above) or replacement valve (below), you may claim a one-year warranty extension covering parts and labor for the Class Products. Limited to the first 100,000 valid claims. Starts on the Effective Date or after your existing parts-and-labor warranty expires.
 - (c) Replacement Brass Drain Valve Election:** Instead of the automatic two-year parts-only warranty or the one-year parts-and-labor warranty, you may claim a new brass drain valve for your Class Product(s). Limited to the first 20,000 valid claims. Labor is not included.

Claims must be submitted online or mailed by March 20, 2026. Use the address at the top of this form for mailed claims.

Settlement benefits will be distributed after the Settlement is approved by the Court and final.
